

REVENUE MANAGER

Would you like to be a part of something out of the ordinary? Join us in unleashing the true RevPAR potential for our clients together with an awesome bunch of colleagues. With a growing team we're creating a pool of amazing knowledge where you can truly learn, develop and contribute. A new modern approach to revenue management, set within a cool work environment and of course along with attractive packages.

The Company story: Since May 2016 berner+becker is changing the way how independent hotels and smaller chains are having access to great high qualitative revenue management services. We are a fun team of 10 and with a proven 15% RevPAR increase for many of our clients, naturally more hotels want to jump on board, that's why we need YOU to help us deliver the highest quality of revenue management service to them!

Position – what we are looking for: We are looking for the best! Regardless of your current title, we want to speak to YOU if you have a great revenue management approach and analytical mind. Whether you have many years of experience, or, are fresher in the field but with a good education, potential and willingness to learn, we should talk!

YOU will become a key part of the company team and be responsible for outsourced revenue management work with clients, conducting exiting projects and revenue training. However, it's not only client related revenue work, but you will also be a part of promoting and selling our company and services. Simply said, it's a diversity of tasks – we're a start-up – it's awesome

Location: For our clients we make wonders happen based in our cool state of the art office in the heart of Munich, a "stone throw" away from Stiglmaierplatz and Hauptbahnhof. We believe in a close team cooperation and look forward to welcoming you here! Btw, our fancy La Spaziale coffee machine makes delicious espresso and even makes baristas turn their heads...

8 reasons to join us!

Contribute – learn & develop – attractive packages above industry standard – flexible working hours -unlimited vacation – be part of a high performing team – efficient and fun revenue management – diverse client portfolios
